

Creative Agency

"I Create Emotions"

Why?

In todays world where we have so much choice and noise at the same time, our consumer demands from any brand four things that can be categorised into

How?

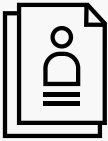

Can we help?

In THREE simple (well for us it is) steps...

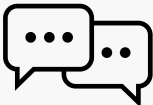

Script Writing

Writing a creative engaging brief that interacts and sparks emotions

Video Content

Using your product / service in an authentic way to ensure understanding

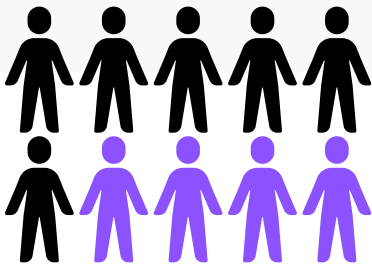

Engaging Platform

Using my social platform/s to disseminate across relevant verified thereby creating social proof with over 1.5M+ followers
